

## TARTAN FAIR SUBCOMMITTEE

### 18<sup>TH</sup> ANNUAL TARTAN CHRISTMAS Annual Report for 2009

It amazes me every year – and this is our 18<sup>th</sup>!! – how many new people join our efforts and how many old faces show up with new energy and tenured commitment. This is always the ultimate payoff – working together and deepening our friendships as we do it.

As usual we don't have a final net figure at this point, as we wait for those last bits of money to come in and those last bills to be submitted and paid. We will probably be off a bit this year from other better years though for a couple of reasons. Our donations for White Elephants and the Silent Auction were down because for the first months of '09 we thought we wouldn't be able to have a Fair due to the proposed renovations. When it became clear that construction wouldn't begin until 2010 or later, many donors had already given their treasures to others. Let us say loud and clear right now – we **WILL** have *A Tartan Christmas* this December, even with the planned work to begin this summer.

So think Tartan this spring when you clean out that closet, jewelry box or book shelf, and plan to join one of our work sessions as we sort and price your donations and make new plans for the 2010 Tartan Fair!

Respectfully submitted,

Joan L. Ryan, Administrative Chair & Volunteer Recruitment

We list below with grateful and heartfelt kudos the 2009 Tartan Fair Committee members:
