

USHERS SUBCOMMITTEE

Annual Report 2011

The Ushers subcommittee of Worship was co-chaired this year by, David Kipin and Joan L. Ryan. This year 157 members welcomed and seated an average of 447 worshippers in morning & special worship in the sanctuary of Old First, and an average of 163 folks in our summer worship services in the sanctuary.

There were 52 new ushers this year, and we especially thank them for their service. For first time visitors as well as members who have been attending for years, the welcoming smile of an usher sets the tone for worship. The ushers' role is crucial, and we are proud to list their names at the end of this report.

The three goals of our subcommittee are 1) to present a warm and welcoming first impression to those attending, 2) to help create a quiet and worshipful tone in the service, and 3) to have as many new members as possible serve as ushers.

We welcome any suggestions to better accomplish these goals.
