

# **FOOD AND KITCHEN SERVICE COMMITTEE**

## ***Annual Report 2010***

### **Mission:**

The primary mission of this committee is to provide to its volunteers an opportunity for fellowship and integration into the church community through preparing food for church events. The committee also has the responsibility for keeping the kitchens stocked with necessary cooking and serving equipment. Wherever possible costs are recovered through free will offerings and fund raising events.

In this report we acknowledge with sadness the passing of two of our volunteers, Ruth Nelson and Brian Macy. Ruth was a longtime and faithful volunteer since the beginning until she was forced to stop because of ill health. Brian was a regular volunteer and often assisted James Hollander with the Vespers dinners and other events. He last volunteered for the November Inquirers' Brunch.

### **Accomplishments:**

Events: the committee organized, prepared and served the following events.

Inquirers' Brunch 1/30	Annual Meeting Brunch 1/31
Soup and Song 2/16	Kelly Picallo's Inst Recpt 4/25
Inquirers' Brunch 3/13	Easter Breakfast 4/4
Inquirers' Brunch 5/8	Spring Garden Event 6/13
Welcome Home Picnic 9/27	Inquirers' Brunch 10/10
Inquirers Brunch 11/13	Tartan Fair Vol. Meals 11/28.29.30.12/1
Tartan Fair Cafe 12/3.4	

Assistance with planning, shopping or obtaining cleanup help was provided for the egg dying. In addition to the above events, one outside events, a Burns Night Dinner, was done to help defray the costs of the committee. Gerri Bunai assisted in preparing and serving a dinner at my house on July 9 which had been sold in the Tartan Fair Silent Auction.

Chefs: Chefs for 2009 were Jackie Fike, Mark Fontaine, Michael Hatchett, Lauren McGill and Marguerite Ruscito.

Kitchen Cleanup Assistance: Four part time people were paid to assist with event preparation cleanup and general cleanup and organization of the kitchen and kitchen storage areas.

Kitchen Fixtures and Utensils: Purchases for the kitchen were made from the 2010 authorized kitchen fixtures budget. Among the items purchased were: a 55 cup, a 36 cup, and four 12 cup coffee makers, a pepper mill and oven gloves.

### **Plans for 2011:**

Organize, prepare and serve the same recurring events as in 2010, and such other events as are within the capability of the committee. Continue recruiting new volunteers, especially volunteers willing to take on the responsibility of chef, or event manager.

**Committee Members:** All volunteers and contributors to the Tartan Fair Cafe are committee members. Sincere apologies to any volunteer who may have been missed.
