

TARTAN FAIR SUBCOMMITTEE

19TH ANNUAL TARTAN CHRISTMAS

Annual Report for 2010

It amazes me every year – and this is our 19th!! – how many new people join our efforts and how many old faces show up with new energy and tenured commitment. This is always the ultimate payoff – working together and deepening our friendships as we do it.

As usual we don't have a final net figure at this point, as we wait for those last bits of money to come in and those last bills to be submitted and paid. We will probably be off a bit this year from other better years, though, primarily because of the economy. We had plenty of patrons both days of the Fair, but they were chary of their dollars and did a lot of eating and browsing. We will still be able to give nice gifts to the three beneficiaries of this year's profit, though: a) the Innocence Project, b) camp scholarships for the grandchildren at the PSS Grandparent Family Apartments and c) furnishings for our new Jr. and Sr. High balcony rooms in the South Wing.

This December will be our 20th *Tartan Christmas*, and we are already planning for our biggest and best. So think Tartan this spring when you clean out that closet, jewelry box or book shelf, and plan to join one of our work sessions as we sort and price your donations and make new plans for the 2011 Tartan Fair!

Respectfully submitted,

Joan L. Ryan, Administrative Chair & Volunteer Recruitment
