

F.P.C. Mission Service Trips 2011

PERU: February 5-15

Construction and/or home repairs in a community on the outskirts of Lima (sea level) where people moved from the Andes to escape The Terror of the 1980's and 1990's. Live in a monastery. Work 5 days; spend last 3 days sightseeing in Cuzco & Machu Picchu. Estimated per-person cost including air fare is \$1,845 plus cost of 8 meals while sightseeing.

SOUTH CAROLINA: May 7-15

Home building with Sea Island Habitat for Humanity on John's Island, a 20-minute drive from Charleston. (From their web site: "Sea Island Habitat sees applicants with no running water, heat, or floors in their homes.") Live in a Habitat house, do our own cooking. Estimated per-person cost including air fare is \$935.

HAITI: July 9-17

Returning to Cap Haitien to work at Father Bernier's complex of schools, converting a vacant building into a kitchen and dining room for the school meal program begun by members of F.P.C. after learning last year that most children have only an evening meal. Live in the Anglican rectory. Estimated per-person including air fare is \$1,365.

CUBA: October 8-16

Construction, building repair, and/or maintenance projects at a Presbyterian camp near Santa Clara. The group will travel under a permit granted to religious organizations; no sightseeing is allowed, but visits to churches and the inter-denominational seminary are permitted. The last few days will be spent in Havana making these visits. Estimated per-person cost including air fare is \$2,050.

N.B. – Estimates may change if air fares increase.
